PLAINTIFF'S MOTION TO STRIKE

Plaintiff hereby moves this Court for an order striking Docket No. 36 and restricting public access to that entry. Instead of the intended Proof of Service of supplemental discovery, Plaintiff's counsel's office inadvertently filed the supplemental discovery itself. In addition to being contrary to Local Rules, the supplemental discovery also contains information of non-parties and a minor.

Accordingly, Plaintiff's counsel requests that the information be stricken from the docket and restricted from public view to protect the privacy of the non-parties. A corrected Proof of Service has now been filed.
